This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

PARENTS FROM A DIFFERENT ALPHABET

Guernica Editions, Canada. Paperback. Book Condition: new. BRAND NEW, Parents from a Different Alphabet, Diane Raptosh, Containing a very moving section dedicated to the death of the author's father, this collection of prose poems considers a variety of forms of love as well as the plights and blitheness of the body, individual and collective. Flourishing under the personal experience of loss, the author uses a broken sentence style that is written in the language of tomorrow as she continues on her trajectory toward new and unexplained horizons in poetry.
