## PART TIME JOBS FOR STUDENTS

Createspace, United States, 2015. Paperback. Book Condition: New. 228 x 157 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Working is inevitable. It has always been and always will be. If not for nothing at all, at least for the need to survive. Of course, there are people who work with pleasure and out of dedication. Unfortunately, these people are much rarer than one would expect them to be. The society we now live in, has taken away most of the pleasure of working, and in most cases these days, going to job is just a matter of earning money to survive. Our choices have little to do with what we fill our daily lives with. It does not matter if you like your job or not, if your boss is a nice or a difficult person, money has to be made. This is the ugly truth for many of us. There is still a way to have a better chance when it comes to choosing what you want to do with your life. And that is going to college. Having a higher education offers the possibility of specializing in a specific field, one that you like and find more suitable for who you are. In the early ages, Academia was a place where all knowledge was gathered and where studying was the only important thing. There were no specific and separate fields, a scholar had to know mathematics, biology, history and art as well. It was learning for the sake of knowing, and earning money had almost nothing to do with it. With progress and science discoveries each subject became more and more vast. So, the necessity to differentiate each field from the others appeared. Professionals were educated in specific fields of interest. What You ll...
