The Commission is cochaired by the Speaker of the House and the President Pro Tempore of the Senate and has five additional members appointed from each house of the General Assembly. Among the Commission s duties is that of making or causing to be made, upon the direction of the General Assembly, such studies of and investigations into governmental agencies and institutions and matters of public policy as will aid the General Assembly in performing its duties in the most efficient and effective manner (G.S. 120-30.17(1)). At the direction of the 1981 General Assembly, the Legislative Research Commission has undertaken studies of numerous subjects. These studies were grouped into broad categories and each member of the Commission was given responsibility for one category of studies. The Cochairmen of the Legislative Research Commission, under the authority of General Statutes 120.30.10(b) and (c), appointed committees consisting of members of the General Assembly and of the public to conduct the studies. Cochairmen, one from each house of the General Assembly, were designated for each committee. The study of the regional state offices was directed by subdivision (23) of Section 1 of Resolution 61 of the 1981 Session Laws. It was to examine regional offices operated by State agencies. The resolution referred to Senate Joint Resolution 519, introduced by Senators Noble, Wright and Cavanagh.
