Some of the 70 practices have been simplified based on ancient yogic approaches. From this book you can learn classic postures and breathing techniques plus relaxation and meditation practices. In addition there are practices that focus on expanding love, creating peer groups focused on self-development, flowing, surrendering and accepting life, staying steadfast while developing self-discipline, developing increased self-awareness and self-knowledge, and much more. This book is truly applicable to the 21st Century. It is free of dogma and absolutes. It invites the reader to pick and choose from a buffet of ideas and practices. But, while the author has tailored the yogic philosophies and practices to modern life he has also stayed true to the core yogic ideas of self-knowledge and self-mastery, true to the heart of yogic empathy and universal love, and true to actions of service.
