## BILLY S BACK!: SELECTIONS FROM THE BOOK THAT SET WORLD RECORDS: THE MEMOIRS OF BILLY SHEARS

Createspace, United States, 2009. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Billy s Back! shows how William Shepherd ( Billy Shears ) replaced Paul McCartney in The Beatles, revealing how he went from Billy Pepper of Billy Pepper and the Pepper Pots to Sgt. Pepper of Sgt. Pepper s Lonely Hearts Club Band. Replacing Paul saved the Beatles, but plagued each band member. Now you will know the secret messages and see how to verify the proven facts of Paul s death. Besides many song and album clues that the experts have missed, you will also learn the hard physical evidence. Here are a few examples: Chapter 4 reveals how and why it was proven in court, in Germany, that the current Paul does not have the same DNA as the earlier Paul McCartney. Chapter 34 identifies the professor in Florida who was the first to publish the fact that the new and old Paul have different voiceprints, proving again that they cannot possibly be the same person (since voiceprints are as unique as fingerprints.) Chapter 59 recounts the trouble that the current Paul got into in Japan when his fingerprints did not match those of the original Paul McCartney. Throughout the book, you will learn to easily recognize their distinct physical differences, their personality differences, and the differences in their singing and musical skills. You will also come to know the current Paul s inner-workings about how, even now, he deals with the identity-switch, and how he continues to work to please the Paul who has crossed over. The Paul is Dead story has been told before, but never so authoritatively, or with such details of how and why Paul prepared for it, how they made the switch,...
