Microfinance against the Resource Curse? Lessons for Ghana to learn from Botswana

By Alexander Stimpfle

GRIN Verlag Jul 2011, 2011. Taschenbuch. Book Condition: Neu. 210x149x15 mm. This item is printed on demand - Print on Demand Neuware - Scientific Study from the year 2011 in the subject Business economics - Investment and Finance, grade: A , IE Business School, Madrid, language: English, abstract: This paper creates a linkage between the two at first sight unrelated concepts of the resource curse phenomenon, and financial inclusion with an emphasis on microfinance. I posit that in certain states of financial inclusion and with specific public policies for the financial sector and microfinance, the resource curse can be averted better in emerging economies. Hence, the focus of this work is not in the widely discussed institutional political realm whose deficient top-down approach often supports the resource curse. In contrast, I advocate an unconventional bottom-up strategy enabling the poor and marginalized parts of society to participate in the financial arena, which can prevent the resource curse phenomenon in countries rich in natural resources. In line with this idea I will present five proposals that foster an environment to absorb windfall revenues from natural resources positively. As a case study, Botswana's successful development despite resource abundance is examined along those theoretical...
