

China: Fragile Superpower

By Director of Institute on Global Conflict and Cooperation
Susan L Shirk

Oxford University Press Inc, United States, 2008. Paperback. Book Condition: New. 234 x 154 mm. Language: English . Brand New Book. Once a sleeping giant, China today is the world's fastest growing economy-the leading manufacturer of cell phones, laptop computers, and digital cameras-a dramatic turn-around that alarms many Westerners. But in China: Fragile Superpower, Susan L. Shirk opens up the black box of Chinese politics and finds that the real danger lies elsewhere-not in China's astonishing growth, but in the deep insecurity of its leaders. China's leaders face a troubling paradox: the more developed and prosperous the country becomes, the more insecure and threatened they feel. Shirk, a former Deputy Assistant Secretary of State responsible for China, knows many of today's Chinese rulers personally and has studied them for three decades. She offers invaluable insight into how they think-and what they fear. In this revealing book, readers see the world through the eyes of men like President Hu Jintao and former President Jiang Zemin. We discover a fragile communist regime desperate to survive in a society turned upside down by miraculous economic growth and a stunning new openness to the greater world. Indeed, ever since the...

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
