Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tired of writing your own revision notes? Unsure what to put in and what to leave out? Use professional ones! These condensed revision notes (flashcards) are designed to facilitate memorization. They have been created by a very experienced, professional Chemistry tutor. Dr C. Boes has successfully taught over fifty A-level students in the last ten years. Many of these have achieved excellent grades in their exams and went on to study medicine. These notes contain all the necessary exam knowledge in a short, easy to memorize form. Each page covers the key facts, such as definitions or equations, of a single topic, without the distraction of unnecessary information. Knowing them by heart makes it easy to get top grades. Tried, tested and proven by past tuition students, they are an effective and successful tool to prepare for exams. They have been adapted to the new OCR B (Salters) Chemistry A-level Year 1 AS syllabus (from Sept 15). This book is organized in chapters according to the syllabus and allows natural progression in sync with your school work. Created with great care, it includes important information specific to exam questions. The low price offers great value and gives many students the opportunity to experience its benefits. This small book will save you hours of painstaking note writing. It is less messy than loose paper sheets and easy to carry around. Memorize on the bus or while you wait. Try it now!.
