By Bobby Nash

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.2013 PULP ARK NOMINEE - BEST NOVEL
 Humanity has gone to the stars! Earth, once barren and decimated by war and the depletion of natural resources has been reborn. Through much hardship and difficult conditions, a coalition of several large corporations have terraformed the planet and have made it a paradise. Many believe this is a giant leap in finding a plausible solution to the increasing population problem. There are no planets available to support the entirety of the human race. Therefore, the children of Earth have spread themselves out to other planets. Humanity has gone to the stars. The reformation of Earth's atmosphere is seen as a positive step toward reuniting mankind by letting humanity return to its roots. Until The Coalition hangs a big no trespassing sign on the lawn. Humans have settled distant planets and have yet to encounter any alien species, though many believe that they are out there. Floating on a barren rock called Axapta III, an enemy from humanity's past has reawakened. And they are angry. Today, Scavengers prey on...

Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50 % of your book. You won't sense monotony at any time of your own time (that's what catalogs are for relating to should you check with me).
