Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. I am Sir Verion, the knight moaned. And I and my fellow knights have been laid under a dark enchantment. For all of these wolves that you see around you were once knights. We were valiant, we were true, and we were brave. But we broke our vow to our overlord. We pledged to serve Lord Kinellan; we vowed to be faithful and come to his aid whenever he called. But we broke that vow. We took what was not ours to take. He commanded us to set out on a quest; our task was to bring back a treasure. But we lusted after the treasure and we stole much of it instead and did not return to him with it. We were not aware that there was a spell on the treasure; a dark enchantment that brought evil on all who stole it. Whosoever would take it unlawfully would be changed into their true form, and so we became wolves, greedy and lustful. And so here we are. And we will remain in this state until that dark enchantment is broken and we are set free. A pack of wolves under a dark curse, an evil wizard, and a missing wife lead Abelard on another exciting quest into adventure and enchantment. His wife Lady Wenda has been abducted along with their friend Princess Rosalind. It is up to Abelard and his teenage children, Sir Hubert and Princess Selena along with Abelard's quarreling knights to find and rescue them. But will their own frail humanity sabotage their mission before they can save the damsels in distress? Another enchanting and whimsical tale from L. M. Roth, author...
