Fourteen years after independence, the enduring childhood friendship of three women has carried them through times of violence and loss in Kenya, their chosen homeland. But the developing relationship between their daughter and a young African boy with a terrifying legacy tests the strength of their family. Sarah Singh, wildlife researcher and renowned photographer, is married to an Indian journalist. However, their inability to have children puts Sarah s relationship with her husband and his family under increasing pressure. Camilla Broughton Smith, international model and fashion designer, has given up a dazzling career to work with the charismatic safari guide Anthony Chapman, who has been disabled in a tragic accident.
