Foundation Chemistry: Question & Answer

By Badruddin Khan

Researchco Books & Periodicals Pvt. Ltd, Studium Press (India) Pvt. Ltd., New Delhi, 2012. Hardcover. Book Condition: New. Teaching and learning of basic concepts of a subject have always remained hallmark of the reputed teachers and serious students at all levels. Since these two principal stakeholders are conscious of the significance of basic concepts in a knowledge driven society, each one of them makes an attempt to address the issue based on his/her quest for knowledge as well as personal, professional and social commitment. Dr. Badruddin Khan, a senior university teacher and a prolific writer who loves to work for the cause of society by enriching its best raw materials, the students, has taken a step forward in this direction through his simple, significant and distinctive mode of presenting things, to reach out to vast majority of students who lack access to good reading material and feel shy of expressing their difficulties not only amongst themselves but also in all sphere of society. His book entitled 'Foundation Chemistry: Through Question-Answer' is a novel gesture that will prove to be boon to the students and the scientific community at large by virtue of the quality and quantum of information in respect...
