This item is printed on demand - Print on Demand Neuware - This book is meant for those who want to better understand ministry in Haiti and its particular challenges. I hope its ideas will be helpful to Christian professionals working in as well as missionaries all over the world who plan to work in and experience third world countries. Haiti is dreaming of new institutions for the development of its people, including education and religion. Although I write as an Episcopal priest who has been working in Haiti for more than 20 years in the field of pastoral ministry and education at all levels, I pray these materials will be for professionals across denominational lines. 88 pp. Englisch.
