

Handbook of Irrigation and Drainage (Classic Reprint)

By A H Scott

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Handbook of Irrigation and Drainage Irrigation is, to an extent, a scientific undertaking, and for this reason is probably viewed by many as a question of such profundity as to be impracticable without the direct aid, on the spot, of a scientifically trained man. This is not, however, the case, for, without going into the more abstruse features of hydraulics, simple irrigation methods can be employed by the average enlightened farmer, by following such advice as will be found in these pages, wherein I have attempted to describe, in simple language, most of the problems which surround an undertaking of the nature likely to be employed in this State, the data and deductions being the result of experience gained in the many countries visited by the writer. In the production of a pamphlet likely to be of the utmost utility for our conditions, I have considered it of advantage to touch upon, and at times briefly quote from, recognised authorities in other parts of the world, in order to make the work as intelligible as...
