

## Beyond Grief and Nothing: A Reading of Don Delillo

Filesize: 2.81 MB

### ***Reviews***

*It is one of the most popular publications. It really is filled with knowledge and wisdom. It has been designed in an exceedingly straightforward way and it is merely soon after I finished reading this pdf by which I actually transformed me, affecting the way in my opinion.*

University of South Carolina Press. Hardback. Book Condition: new. BRAND NEW, Beyond Grief and Nothing: A Reading of Don Delillo, Joseph Dewey, In the closing decade of the twentieth century, Don DeLillo emerged from the privileged status of a writer's writer to become by any measure - productivity, influence, scope, gravitas - the dominant novelist of fin-de-millennium America. Beginning in 1982 with "The Names and continuing with White Noise and Underworld", DeLillo defined himself as a provocative, articulate anatomist of American culture. Dewey offers an astute assessment of this daunting yet important writer's four-decade cultural critique. Dewey finds DeLillo's concerns to be organized around three rubrics that mark the writer's own creative evolution: the love of the street, the embrace of the word, and the celebration of the soul. Dewey takes the reader through the novelist's hip avant-garde satires of the mid-1960s, his dense interrogations of the power of language and the spell of narrative in the 1980s and 1990s, and his recent efforts to transcend the immediate. Dewey explores DeLillo's fascination with Eastern philosophies, interest in Native American traditions, passion for jazz, and deep roots in Catholicism.
