Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

Vintage, 1998. Taschenbuch. Book Condition: Neu. Neu Titel auf Lager, Neu, versand am selben Werktag er Bestellung bis 16 Uhr, - Toru Okada, ein unzufriedener Mann von 30 Jahren, gerade ohne Arbeit, von seiner tüchtigen Frau zur Selbsterforschung ermutigt, ist Held des Romans, eines Romans über die verschüttete Seele des globalisierten Menschen, der zwar fliegen kann, aber nur wie ein Spielzeugvogel, den irgend jemand aufgezogen hat. Japan's most highly regarded novelist now vaults into the first ranks of international fiction writers with this heroically imaginative novel, which is at once a detective story, an account of a disintegrating marriage, and an excavation of the buried secrets of World War II. In a Tokyo suburb a young man named Toru Okada searches for his wife's missing cat. Soon he finds himself looking for his wife as well in a netherworld that lies beneath the placid surface of Tokyo. As these searches intersect, Okada encounters a bizarre group of allies and antagonists: a psychic prostitute; a malevolent yet mediagenic politician; a cheerfully morbid sixteen-year-old-girl; and an aging war veteran who has been permanently changed by the hideous things he witnessed during Japan's forgotten campaign in Manchuria. Gripping, prophetic, suffused with comedy and menace, The Wind-Up Bird Chronicle is a tour de force equal in scope to the masterpieces of Mishima and Pynchon. 624 pp. Englisch.
