

Double Jinx: Poems

Filesize: 6.09 MB

Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.

(Thurman Schamberger)

Milkweed Editions, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. Double Jinx follows the multiple transformations -- both figurative and literal -- that accompany adolescence and adulthood, particularly for young women. Drawing inspiration from sources as varied as Ovid's *Metamorphoses*, the rewritten fairy tales in Anne Sexton's *Transformations*, and the wild and shifting dreamscapes of Brigit Pegeen Kelly's work, these poems track speakers attempting to construct identity. A series of poems depict the character of Nancy Drew as she delves into an obsession with a doppelganger. Cinderella wakes up to a pumpkin and a tattered dress after her prince grows tired of her. A young girl obsessed with fairy tales becomes fascinated with a copy of Grey's Anatomy in which she finds a pink girl pinned to the page as if in vivisection. Could she / be pink inside like that? No decent girl / would go around the world like that, uncooked. The collection culminates in an understanding of the ways we construct our selves, whether it be by way of imitation, performance, and/or transformation. And it looks forward as well, for in coming to understand our identities as essentially malleable, we are liberated. Or as the author writes, we'll be our own gods now.
