S. president was forced to confront an escalating series of unprovoked attacks on Americans by Muslim terrorists sworn to carry out jihad against all Western powers. As timely and familiar as these events may seem, they occurred more than two centuries ago. The president was Thomas Jefferson, and the terrorists were the Barbary pirates. Victory in Tripoli recounts the untold story of one of the defining challenges overcome by the young U. S. republic. This fast-moving and dramatic tale examines the events that gave birth to the Navy and the Marines and re-creates the startling political, diplomatic, and military battles that were central to the conflict.
