It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

TREASURE TROVE: AN EDUCATOR S JOURNAL OF INSPIRED MOMENTS

Defy Gravity Books, United States, 2013. Paperback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.Rejuvenate your teaching soul! An educator s day is a combination of monumental challenges, frustrating problems and arduous multi-tasking. It is easy to overlook the fact that those same days are also jammed packed with small victories and exhilarating adventures with students. Treasure Trove is the ultimate place to build a permanent archive of the triumphs that inspire educators each day. By reflecting on this wonderful journey, teaching professionals can hold tight to the magic and love of the greatest career there is. Every journal entry offers motivating prompts and lightly lined pages to record those I love my job moments, such as, I laughed so hard when. At parent-teacher conferences, a parent complemented me by saying. Today, I climbed the tallest mountain with a student. Educators will also enjoy heartwarming and witty stories shared from educators around the U.S. Treasure Trove is a thoughtful gift for teachers, principals, school secretaries, para-pros, and bus drivers. Show your appreciation for all the educators in your family s life with this invaluable holiday, end of the school year, or Just Because gift.
