ELOHIM III: THE RETURN (HARDBACK)

Lulu.com, United States, 2015. Hardback. Book Condition: New. 231 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.RECOMMENDED by the US Review of Books! In the stunning conclusion to the Elohim series, the author describes the Anunna as a highly-advanced civilization living on the distant planet Eris.the Eridians have created humans by fusing their own genes with lower hominid forms. In this final installment of the trilogy, they are planning an invasion to Earth to completely overturn our political and economic systems and assume a complete rulership over Earth s nations. This fascinating book melds factual information, such as biblical facts, historical events, and technology with science fiction.each chapter contains inventive information, which will please SFF aficionados, lovers of UFO mysteries and sightings, and people who like non-traditional interpretations of the Bible.This is a fascinating portrayal of the origins of humanity and what lies ahead for us as a species, also a perfect read for lovers of UFO, biblical mysteries, and SFF in general. -editorial review by Caroline Blaha-Black.
