Jo, My Sad Hippo is one of four books in The Building Resilience picture book series. This series gives children, teachers and parents advice on how to deal with common situations and uncomfortable feelings. It also encourages parent-child discussion about difficult topics. The author, Doctor Harmony, is an Australian psychiatrist and mother who has the desire to help build resilience in children by promoting awareness of feelings, positive communication and development of constructive coping skills. Having seen many adults who struggle with these issues, the hope is to prevent mental illness by promoting the development of these skills early in life. Look out...
