AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. This is the story of where people go in times of extreme stress, danger, guilt and shame to deal with the magnitude of the distasteful situations they experience. The story strives to understand human nature, the things we do, often inexplicably foolish and the all-encompassing question of why are we here? and what is it all about? It is about the triumph of the human soul against great adversity and forces beyond our control and suggests why God so readily forgives us all our sins, both great and small. The story shows how destiny repeatedly throws a spanner in the works of our lives and constantly tests us.
