AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 203 x 127 mm. Language: English Brand New Book ***** Print on Demand *****. In actually THINKING vs. just BELIEVING , Doug Matheson discusses the importance of learning how to think, not just what to think. The failure to do this has huge repercussions. He also calls upon us all, including Christian conservatives, to take seriously humankind's stewardship of the planet on a practical level, and he asks everyone to take action to correct the sad inequalities of a world in which, in his words, our myopic preoccupation with economic growth and personal accumulation of wealth leads us to ignore deterioration of ecosystems at home and around the world, and the growing threat to political stability globally. This book is of value to anyone who believes we can be doing better. This is powerful and will have wide appeal. It's fresh, challenging, and interesting. The above quotes are from Gwyneth Cravens, author of numerous articles published in The New Yorker and Harper's Magazine, and of several books including, Power to Save the World: the Truth about Nuclear Energy. actually THINKING is about our mindsets and our future. It examines our biases, it deals with the real-world politics of terrorism and our foreign policy, and it delves into a variety of internal matters that will ultimately keep us a stable and sustainable nation and culture, or see us fragment and weaken into irrelevance, or even devolve into chaos. The contrast between believing, based on conscious choice or not, and analytically thinking is the central theme of this book. It points out that we cannot begin to deal realistically with the myriad challenges of our time without first recognizing the influence of our philosophical starting points, and then learning to step...
