Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

What questions would you ask God if given the honor and opportunity to do so in person! Would you volunteer to be a messenger from God to relay God s newest information to all of mankind? In 40 Degrees in the Presence of God, the author did just that! 40 Degrees in the Presence of God vividly recounts and describes the author s prebirth experience with God in heaven. God discusses and sets to rest a wide variety of spiritual and scientific topics ranging from who and what God actually is; Evolution vs. Creationism; how we will be judged by God upon our death; creation of our, and any, universe. It is not an overstatement to say that 40 Degrees in the Presence of God must be read by, or read to, every single person on the planet Earth!.
