Brand New Book ***** Print on Demand *****.The novel, The Martian, very skillfully captures the attention of the science fiction lovers as well as young adults. Andy Weir s ability is showcased by exquisite portrayal of a story woven around a person who was stranded on Mars. The story covers up the hurdles faced by Mark Watney when he was deserted accidentally on the surface of Mars during their space mission. He had to utilize the limited resources available and needed to reach a place from where he could be recovered. To rescue Mark, a rescue mission was proposed by his previous crew mates and administration at NASA. The texts that might appear obscene to some teachers and parents are not included to promote vulgarity. They are included just to highlight a person s reactions when he faces difficulties. Any person facing the hardships, which are faced by Watney, may lead to the phrasing of the similar sentences as phrased by him. In fact, the bans will only promote the book as the readers will be curious...
