S. Geological Survey and the French Rules on Reinforced Concrete The subject of concrete and reinforced concrete is one of the most important matters that is now before the American public. So important has it been considered by those connected with engineering, that the leading societies in this field have associated themselves in the creation of a Joint Committee on Concrete and Reinforced Concrete, the members of which Committee are representatives of the following societies: American Society of Civil Engineers; American Society for Testing Materials; American Railway Engineering Maintenance of Way Association, Association of American Portland Cement Manufacturers. In addition to this, the following organizations are lending their hearty co-operation in the work. National Board of Fire Underwriters; National Fire Protection Association: The Concrete Block Machine Manufacturers
