Reviews

The book is fantastic and great. This is for anyone who statte there was not a worthy of reading. I found out this publication from my i and dad advised this pdf to learn.

(Pete Paucek DVM)

PRUNING APPLE TREES - THREE ARTICLES

Ghose Press. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. This early collection on pruning apple trees includes articles that would be both expensive and hard to find in their first editions. It contains information on the stages and methods of pruning, along with details of the tools involved. This is a fascinating work and highly recommended for anyone interested in fruit tree cultivation. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. This item ships from La Vergne, TN. Paperback.
