Brand New Book ***** Print on Demand *****.The years of the American Revolution were times of changing loyalties, fierce battles and internecine rivalries, and the women s perspective provided a fresh view for interpretation of the times. In her 1849 volume *The Women of the American Revolution*, Elizabeth F. Ellet took this task to heart as she recounted in detail the stories of over 120 women who assisted in the fight for freedom. Drawing from a wealth of material - personal interviews, diaries, biographies, and manuscript letters - she probed the details of their personal triumphs and tragedies, and presented them in a popular style easily appreciated by contemporary readers.
