Devil Barnett has a special talent for eliminating special problems, a talent he s put to work as a CIA wet-ops anent for fifteen years. He finds a Harlem greatly changed from his former boyhood home, overrun with drugs, gangs, and self-serving politicians; but also welcoming and familiar, full of the strong wills, stern codes, and the big hearts he remembers.He might think he can get away with being just a simple tavern owner back in the old neighborhood, but when trouble comes along in the form of a murdered Japanese diplomat and a missing call girl, Devil Barnett answers.
